Preliminary Programme

International Association of Social Sciences Information Service and Technology 4th Africa Regional Workshop 23rd - 26th October 2024

WEDNESDAY, 23RD OCTOBER 2024TIME ZONE: EAST AFRICAN TIME

07:30-08:30 Preparation, Registration of workshop delegates

Main Auditorium 08:30 – 10:30 Opening Ceremony

Opening Prayer
Remarks from the Chair of the National Organizing Committe

Speech from a Chair, IASSIST Africa Chapter Speech from the President of IASSIST Speeches from VC, University of Nairobi Official Opening of workshop Photoshoot

Keynote Speech - Prof San Cannon

10:30-11:00 Health Break

Room 1	Room 2
11:00 – 13:00 Session 1 : AI and Machine Learning in African Development Chair: Prof Constant Okello -Obura	11:00-13:00 Session 2: Collaborative Data Platforms Chair:Dr.Agatha Alidri
Geoffrey Kaujju Utilization of artificial intelligence in academic writing among students: a case of Clarke International University	Karemani Arthur Utilization of collaborative tools in enhancing research knowledge sharing at Gulu University, Uganda
Ezra Kapachika Artificial Intelligence: A brief overview and interplay in the information era: A case study of Commerce students at Lake Malawi Anglican University	Nanyanzi Mary Collaborative Data Platforms: Enhancing Data Sharing and Innovation
John Oredo Contextualizing AI and Social Data Science for Africa: A Case for a Theory of Care	Flavia Kyeyago Ouma Transforming Africa Through Data Collaborative Platforms for Innovations Governance and Sustainable Development

Sarah Kaddu Francis Ssekitto

Artificial Intelligence in Library and Information Science training institutions in African Universities: Ethical thoughts

Mapesa Nelson Marchella Onsumo

The role of social media analytics in Tracking Health misinformation at the Kenya Medical Training College

13:00-14:00 Lunch break Parallel Sessions

Parallel Sessions 14:00-15:30		
Room 1	Room 2	
Session 3: Data archiving, discovery, access and Metadata Chair: Dr. Kenneth Riany	Session 4: Data-Driven Public Service Delivery Chair: Prof Tom Kwanya	
Olayemi Oluwasoga Enhancing Data Management practices through Data FAIR-ness	Flavia Kyeyago Ouma Enhancing Public Service Delivery in Uganda Leveraging Data-Driven Approaches for Sustainable Development	
Kizito Ongaya Comparative Analysis of Newspapers and Thesis Digitalization for Archiving Processes: A Case Study of Makerere University Library	Akello Cissy Transforming Legal Education and Services through Data-Driven Approaches at the Law Development Centre in Uganda	
Chifundo Kanjala Taking Control of Your Data: Open Source DDI Tools for FAIR Data	Hillary Muhanguzi Methodological Aspects for Constructing Composite Indicators for Service Delivery in Developing Countries	
Mutali Lithole Managing research data: a UJ library open research data initiative	Kennedy Kamau Pauline Andeso Amani Karisa The impact of alcohol and substance abuse on psychological distress in Kenya: a Propensity Score Matched Analysis	
15:30 – 1	6:00	
Health B Cocktail Fu		
17:00		
End of Da		
THURSDAY, 24 TH OCTOBER 2024		
07:30 – 8:30 Preparation, Registration of Workshop delegates 08:30-10:30		
Parallel Session		
Room 1	Room 2	
Session 5: Data Management and Sustainable Development Goals (SDGs) Chair: Dr. Chifundo Kanjala	Session 6: Data Privacy, Protection, and Management in Research Chair: Flavia Ouma	
Nawoova Betty Data disaggregation: A research tool to an advance inclusivity and identify inequalities (July 2024)	Omobolanle Seri Fasola Esther Oluwayemi Jatto Assessing the Efficacy of Data Protection Policies and Practices in Nigerian Research Institutions: Case Study of IITA AND NISER	
Ninsiima Flavia Harnessing data management to accelerate progress towards attaining SDGs; Opportunities and challenges	Olayemi Oluwasoga Data Privacy, Protection and Management in Research – Using IITA as case study	
Glenn Tshweu (V)	Nawoova Betty Leveraging Data Utility and Uptake in Research while ensuring Respondent Rights and Trust	

,	
Data Management and Sustainable Development	
Goals (SDGs): Using research data management to	
shape success	
	Benjamin Opicho Kemboi
Pradnya Deore	Elyjoy Micheni
Shape child marriages through education driven	Integrating Knowledge Management to Foster Open
libraries in rural parts of developing countries	Science and Improve Information Accessibility In
10:30 – 11:00 He	TVET Colleges, Kenya
Room I	Room 2
Session 7: Innovative Practices in research data	KOOHI 2
management - new methods, technologies and	Session 8: Open Data and Transparency
approaches Chair:	Chair:
Patience Chewachong Akih	Hillary Muhanguzi
Leveraging ChatGPT for Research: Effective Data	Measuring replication to enhance data
Gathering Techniques	transparency
Kenneth Riany	
Kelvin Oruko	Olatunbosun Obileye
Research Data Management Practices in Kenyan Public	Building Trust in Academic Research through
Research Institutes by FAIRER Principles: Integrating	Open Data
Ethical and Revisable aspects into FAIR Principles.	Open Data
Grace Temilolu Ikenna	Tom Kwanya

Abel M'kulama C.M/ Tuesday Bwalya/ Milana Dobreva (V)

Research Data Management Literacy Among Library professionals in Selected Zambian Universities

Winnie Morogo

Social Media Literacy and the Empowerment of Generation Z in Public Policy Engagement in Kenya

15:30-16:00 Health Break

16:00 - 17:00 Poster session

Judith Nyangoma

Collaborative data platforms at the Uganda Bureau of Statistics

Shadrack Agaki

Leveraging Parliamentary Data for Food Systems Transformation in Kenya: Enhancing Policy Innovation through Open Access and Public Participation

Nakigudde Esther

National Statistics and Development Planning in Uganda

Robert Lubanga

The Effect of AI and Machine learning in Delivering HealthCare courses in Higher Education Institutions in Uganda

End of Day 2

FRIDAY, 25TH OCTOBER 2024

07:30-08:30 Preparation, Registration of workshop delegates

08:30-10:30

Parallel Session	
Room 1	Room 2
Session 11: Data Management and Sustainable Development Goals (SDGs)/Data Driven Public Service Delivery chair:	Session 12: Libraries, Indigenous Knowledge and Open Science chair:
Glorias Asiimwe Alison Annet Kinengyere Data Management Challenges in African Academic Libraries: A Literature Review	Adetoun Adebisi Oyelude (V) Integrating Indigenous Knowledge into Open Science: Towards Inclusive and Equitable Research
Isaiah Munyoro Is the content of the SADC countries' parliamentary websites compliant with the IPU guidelines? A content and web-link analysis	Wekalao Namande Jonai Wabwire Technological Remediation of Indigenous Knowledge in the contemporary world.
Lubaale Yovani A. Moses Challenges for online data collection, a case of data collection during COVID-19. Sharing experiences during the pandemic and beyond	Ibrahim Aliyu Role of Librarians in Preservation Of Indigenous Knowledge: Case Study of Waziri Junaidu History And Cultural Bureau, Sokoto State, Nigeria.
Wole Olatokun / Mathabo Rampanyane Artificial Intelligence-Driven Healthcare Diagnosis in SADC: Developing a Lesotho-Specific Disease Detection Model	Agatha Alidri Indigenous Knowledge and Data Management for Social Inclusion of Ethnic Minority Communities: A Case of the Lendu in Uganda
10:30 - 11:30 Health Break	
Session 13: Data Management and Sustainable Development Goals (SDGs)/Data Driven Public Service Delivery	Session 14: AI and Machine Learning in African Development
Flavio Bonifacio Winny Nekesa Akullo	Adrine Nyamwiza Richard Ssenono

Challenges for medical visits agenda management in public health service

Ilevare Godson Ehimiyei Okpufe Joy Nkechi

"Evaluating the Role of Public Librarians in Indigenous Knowledge Transfer Among the Bini People: An Analysis Using SERVQUAL and Nonaka's SECI Theory"

Alison Annet Kinengyere

Harnessing Artificial Intelligence in Academic Writing and Systematic Reviews

Joseph Mathew Mwalubanda Paskazia Bulugu

AI in Higher Education: Assessing the Readinesjoses of Tanzanian Higher Learning Institutions Libraries

Godson Ehimiyein Ilevbare Gwadia Deborah Nwakaego Omosefe Irioghene Stella Onyeugo Ikechukwu

"Enhancing E-Library Services with Smart Library Tools: A Study of Private Universities in Edo State"

Doreen Kirungi Maina Flavia Kyeyago Ouma Allan Agaba

The Role of Leadership in AI and Machine Learning in African Development

Ganiyu Oluwaseyi Quadri

Traditional versus technological methods of knowledge sharing: experience from librarians.

Gilbert Mutungi

Deep learning methods for Agri-food commodity price forecasting

1:00 - 2:00 pm, Lunch Break

2:00 - 4:00

Closing Ceremony

Closing remarks from the Regional Secretary, IASSIST Africa Chapter Remarks from the Vice Chair National Organizing Committee Presentation of Regional Reports

Award ceremony

Saturday 26th October 2024

14:00-15:30

Tour - National Game Park
